5. EDUCATION

5.1 Specify the type of school in the village and the type of education program (mandatory education level). _____

5.2 If there is no school in the village, what is the distance to the nearest school where children study?

_____ kilometers; _____ minutes walk

5.3 (Ask the teacher in the village)

5.3.1 Total male students _____ and female students _____ in the first six grades of school.

5.3.2 Total male students _____ and female students _____ studying at level above the first six grades of school.

5.3.3 Total students who did not finish the mandatory education level (failed, quit, expelled) in the past year. _____

5.3.4 Total number of teachers. _____

5.4 Is adult education available in the village? YES/NO

If yes, what course of study?

_____ 6 months course; _____ So So Cho (6 years)

Total number of students. _____

Total number of teachers. _____

5.5 Is there a loudspeaker in the village? YES/NO

If yes, what activities is it used for? _____

What time periods is it used? _____

5.6 [deleted]

5.7 Total number of vocational trainings in the past three years

Type of training	Number of trainings
------------------	---------------------

-----	-----
-------	-------

6. SANITATION AND PUBLIC HEALTH

6.1 Is there a village medicine fund? YES/NO

6.2 Is there a health station or So So Cho in the village?
YES/NO

If not, where is the closest health facility villagers
use? _____

Distance (kilometers) _____ Minutes walking _____

6.3 Number of visits by mobile health and dental clinics in the
past year. _____

6.4 Where does the village obtain drinking water and is this
source sufficient throughout the year?

	Distance to source	Enough	Months insufficient
	-----	-----	-----

6.4.1 Well

6.4.2 Stream

6.4.3 Mountain pipe

6.4.4 Pipe system in village

6.4.5 Other (specify)

6.5 How many toilets are there in the village? _____

7. DEVELOPMENT ACTIVITIES. How many important village develop-
ment activities have passed the village committee in the
past year _____ and what was the nature of those
activities? _____

page 5

8. VILLAGE RICE BANK. Is there a rice bank in the village?
YES/NO

8.1 What year was the rice bank started? _____

8.2 Who started the rice bank (specify position)? _____

8.3 What was the source of funds to establish the rice bank?

8.4 What was the initial amount of rice in the rice bank?

8.5 What is the current amount of rice in the rice bank?

8.6 How many households are currently rice bank members?

9. VILLAGE REVOLVING FUND. Is there a village revolving fund in the village? YES/NO

9.1 What year was the revolving fund started? _____

9.2 Who started the revolving fund (specify position)?

9.3 What was the source of funds to establish the fund?

9.4 What was the initial amount in the fund? _____

9.5 What is the current amount in the fund? _____

9.6 How many households are currently revolving fund members?

10. OPIUM SITUATION

10.1 Total number of opium addicts in the village. _____

10.2 Total number of persons who have received rehabilitation treatment. _____

10.3 Total number of persons who have received rehabilitation treatment and are still cured of addiction. _____

10.4 Total number of times you can remember that opium fields of this village were destroyed. _____

Total opium crop area destroyed in the past year. _____

11. IRRIGATION WATER FOR AGRICULTURE

11.1 Have there been any agricultural irrigation systems developed in this village? YES/NO

If yes, specify the number of systems and the area served by each system.

page 6

11.2 Type of irrigation system

	Irrigated area	Source	Distance
	-----	-----	-----
11.2.1	Wier or dam		
11.2.2	Irrigation canal		
11.2.3	Natural stream		
11.2.4	Spring		
11.2.5	Swamp		
11.2.6	Other		

12. CIVIL CONSTRUCTION PROJECTS. Specify the number of Ko Cho Cho civil construction projects and the budget of those projects.

12.1 Total projects _____ Total budget _____

Project _____ Budget _____ Duration _____

page 7

OBSERVATIONS. Observations of the interviewer/team leader.

1. Draw a sketch map of the village.
2. Walking distance from the village to the nearest road.
3. Can the roads connecting the village with the tambon and district be used all year or not? Specify the type of road, e.g., paved, latterite, dirt, etc.
4. Special aspects of the village, e.g., mountain pipe system, school, headman's house, health center.

_____ Questionnaire is correct and complete.

_____ Areas need attention: _____

_____ Need to re-interview.

1991

Person Interviewed _____
Household head _____ Tribe _____
Village Number _____ Block _____
Village _____ Mu _____ Tambon _____
District _____ Province _____

First interview date _____ Month _____ Year _____
Second interview date _____ Month _____ Year _____
Name of interviewer _____
Team leader/person checking the questionnaire _____
Researcher _____

page 2

1. GENERAL SOCIAL DATA

1.1. Data on household head and family members

Name, relation to household head, sex, age/birth year, marital status, education, central Thai/northern Thai speaking ability, is name in household registry, have government identification card, remarks.

page 3

1.2 Data on births, deaths, migration.

1.2.1 Were any children born in this household in the past year? YES/NO

1.2.2 Did anyone in this household die in the past year? YES/NO

If yes, how old were they at death _____
and what was the cause of death? _____

1.2.3 In the past year did anyone move into or out of the household?

_____ No one moved in or out
_____ Some moved in. Total number of people: _____
_____ Some moved out. Total number of people: _____

2. LAND TENURE STATUS.

2.1 Do you have a government issued land title for the land you own or not? What type of ownership?

2.1.1 NS 3K	Plots _____	Area _____	Years owned _____
2.1.2 NS 3	Plots _____	Area _____	Years owned _____
2.1.3 SK 1	Plots _____	Area _____	Years owned _____
2.1.4 PBT 5	Plots _____	Area _____	Years owned _____
2.1.5 STK	Plots _____	Area _____	Years owned _____
2.1.6 Bai Chong	Plots _____	Area _____	Years owned _____
2.1.7 Other	Plots _____	Area _____	Years owned _____
2.1.8 Land with no title	Plots _____	Area _____	Years owned _____

page 4

2.2 Do you engage in shifting cultivation? YES/NO

2.2.1 On average, how many years do you use a field before fallowing it? _____ years.

2.2.2 On average, how many years do you fallow a field before cultivating it again? _____ years.

3. AGRICULTURE

3.1 Rice

3.1.1 Yields

Seed (kg) | Area (rai) | Yield (kg)

Upland rice

Paddy rice

3.1.2 Sell/purchase

	Sell		Buy	
	Amount	Value (baht)	Amount	Value (baht)
Unmilled rice				
Milled rice				

3.1.2 Borrow/loan

	Borrow		Loan	
	Amount	Value (baht)	Amount	Value (baht)
Unmilled rice				
Milled rice				

3.1.4 How many months in the year did you have to borrow or purchase rice because you did not have enough rice to eat? _____

page 5

3.2 Yields of other crops sold

	Where sold	Area (rai)	Yield	Amt. sold	Value
	Market/village				
3.2.1 Chili					
3.2.2 Sesame					
3.2.3 Soybean					
3.2.4 Mungbean					
3.2.5 Corn					
3.2.6 Pumpkin					
3.2.7 Other (specify)					

3.3 Tree crops

	No. trees	Yield	Amt. sold	Value
3.3.1 Coffee				
3.3.2 Jackfruit				
3.3.3 Mango				
3.3.4 Peach				
3.3.5 Other (specify)				

3.4 Livestock

	No. owned	No. sold	Value	Died	Eaten
3.4.1 Chickens					
3.4.2 Ducks					
3.4.3 Pigs					
3.4.4 Goats					
3.4.5 Cattle					
3.4.6 Buffalo					
3.4.7 Horses					
3.4.8 Elephants					
3.4.9 Other (specify)					

page 6

3.5 Do you use livestock manure as fertilizer? YES/NO

3.6 Do you have a kitchen garden near your house? YES/NO

3.7 What agricultural equipment do you have, e.g., large tractor, walk-behind tractor, water pump, sprayer, etc. (specify)
** if you are joint owner with another person, indicate.

3.8 What other equipment do you own, e.g., pickup truck, motor cycle, television, radio, sewing machine, etc. (specify)

3.9 Did anyone in your household work as a hired laborer (other than agricultural work) during the past year?

Type of work	Duration	Income (money or commodities)
-----	-----	-----

4. INCOME AND EXPENSES

4.1 Income. Other than income from agriculture (question 3), do you have any other income? Please specify.

Source of income	Amount
-----	-----

4.2 Expenses

- 4.2.1 Rice
- 4.2.2 Salt
- 4.2.3 Food
- 4.2.4 Thread for weaving
- 4.2.5 Clothing
- 4.2.6 Tobacco
- 4.2.7 Fertilizer
- 4.2.8 Insecticide
- 4.2.9 Medicine
- 4.2.10 Education
- 4.2.11 Building/repairing house
- 4.2.12 Other (specify)

5. SANITATION AND PUBLIC HEALTH

5.1 Where do you obtain drinking water and is this source sufficient throughout the year?

		Months
Distance to source	Enough	insufficient
-----	-----	-----

- 5.1.1 Well
- 5.1.2 Stream
- 5.1.3 Mountain pipe
- 5.1.4 Pipe system in village
- 5.1.5 Other (specify)

5.2 Do you have a toilet in your house? YES/NO

5.3 Does anyone in your household use family planning (including both males and females)? YES/NO

5.3.1 If yes, who practices family planning and what method do they use?

Female: IUD _____ Sterilize _____ Pill _____
 Injection _____ Implant _____ Other _____

Male: Condom _____ Sterilize _____ Other _____

5.4 In the past year has anyone in your household been ill with malaria? YES/NO

Name	Duration of illness	Cured	Not cured
-----	-----	-----	-----
