TABLE OF CONTENTS

Table of Contents....xii
List of Tables....xvi
List of Figures....xviii
Abbreviations and Symbols....xix
Chapter 1
Introduction....1
1.1 Objective....1
1.2 Overview of the Thesis....2
1.3 Cultural background....2
1.4 Linguistic Background....4
1.5 Overview of Research Methodology....8
1.6 Scope of the Study....12
1.7 Benefits of this Study....14
Chapter 2
Sherpa Grammar Summary....16
2.1 Phonology and Transcription Scheme....17
2.2 Morpho-Syntax....20
2.2.1 Basic Clause Structure....21
2.2.2 Overview of the Noun Phrase....22
2.2.3 Overview of the Verb Phrase....24
2.2.4 Tense, Aspect, and Evidentiality....25
2.2.5 Clause Linking in Sherpa....29
2.3 Sherpa Discourse....30
2.4 Discourse in Other Central Tibetan gTsang Languages....33
Chapter 3
Literature Review and Application....37
3.1 The Study of Discourse: Foundational Issues....37
3.1.1 What is discourse analysis?....37
3.1.2 Definitions of text and discourse....39
3.1.3 Views on discourse prominence....40
3.1.4 Discourse Classification....43

PAYAP UNIVERSITY

3.2 Aspects of Macrostructure Analysis....51
3.2.1 Review of the Literature on Macrostructures....51
3.2.2 Summary and Application....71
3.3 Analyzing Types of Clausal Information....72
3.3.1 Review of the Literature on Clausal Information Types....73
3.3.2 Summary and Application....80
3.4 Chapter Summary....81
Chapter 4
Introduction to the Texts....82
4.1 Universal Discourse Type....82
4.2 Macrosegmentation and Narrative Superstructure....83
4.2.1 Introduction to SICK....83
4.2.2 Peak Marking in SICK....85
4.2.3 Introduction to RAT....87
4.2.4 Peak Marking in RAT....89
4.2.5 Introduction to MRKT....89
4.2.6 Peak Marking in MRKT....92
4.2.7 Introduction to BATTLE....93
4.2.8 Peak Marking in BATTLE....95
4.2.9 Introduction to BEAR....96
4.2.10 Peak Marking in BEAR....98
4.3 Generic Classification of the Texts....99
4.4 Chapter Conclusion....101
Chapter 5
Identification of Clausal Information Types....104
5.1 Introduction....104
5.2 Summary of Information Types....105
5.3 Type 9: Cohesive Material....106
5.4 Type 8: Evaluation....108
5.5 Type 7: Irrealis....109
5.6 Type 6: Setting....111
5.7 Type 5: Background Activities....112
5.8 Type 4: Flashback B....113

PAYAP UNIVERSITY

5.9 Type 3: Background Actions....114
5.10 Type 2: Flashback A....115
5.11 Type 1: Storyline....117
5.12 The Distribution of Storyline Patterns....119
5.13 Chapter Conclusion....121
Chapter 6
Macrostructure and Storyline....124
6.1 An Example of Macrostructure Construction....124
6.2 Comparing Macrostructure and Storyline....134
6.2.1 SICK....135
6.2.2 RAT....137
6.2.3 MRKT....138
6.2.4 BATTLE....140
6.2.5 BEAR....142
6.3 Chapter Conclusion....144
Chapter 7
Conclusion....150
7.1 Summary of Conclusions....150
7.2 Application of Conclusions....153
7.3 Evaluation of Methodology....157
7.4 Suggestions for Further Research....158
Appendix I
Sherpa Texts....161
1.1 Free translation and text of SICK....161
1.2 Free translation and text of RAT....170
1.3 Free translation and text of MRKT....184
1.4 Free translation and text of BATTLE....201
1.5 Free translation and text of BEAR....218
Appendix II
Generic Features of the Texts....242
2.1 The Generic Features of SICK....242
2.2 The Generic Features of RAT....243
2.3 The Generic Features of MARKET....244

PAYAP UNIVERSITY

2.4 The Generic Features of BATTLE....245
2.5 The Generic Features of BEAR....247
2.6 Summary of Generic Features....248
Appendix III
The Storyline Clauses of Each Text....250
3.1 The Storyline Clauses of SICK....250
3.2 The Storyline Clauses of RAT....251
3.3 The Storyline Clauses of MARKET....251
3.4 The Storyline Clauses of BATTLE....252
3.5 The Storyline Clauses of BEAR....253
Appendix IV
A Macroanalysis of the Texts....255
4.1 A Macroanalysis of RAT....255
4.2 A Macroanalysis of MRKT....261
4.3 A Macroanalysis of BATTLE....268
4.4 A Macroanalysis of BEAR....275
Bibliography....286

LIST OF TABLES

Table 1: Consonant Phonemes of Sherpa (adapted from Kelly 2004:210)....18
Table 2: Vowel Phonemes of Sherpa (adapted from Kelly 2004:214)....18
Table 3: Pause Length Groupings in the Five Sherpa Texts....20
Table 4: Sherpa Case Markers and their Functions (adapted from Kelly 2004:228)....23
Table 5: Examples of Main Verb Phrases in Sherpa....25
Table 6: The Function/Meaning of Evidentials in Sherpa (based on data from Kelly 2004:249-253, Woodbury 1986, Schöttelndreyer 1975:49 and personal communication with Lee)....26
Table 7: The Use of Conjunct and Disjunct Morphology in Sherpa (based on Kelly 2004:254)....27
Table 8: Summary of the Tense-Aspect System in Sherpa (adapted from Schöttelndreyer 1975:48-50 and Kelly 2004:246-248)....29
Table 9: A Salience Scheme for Jirel Folk Narratives (adapted from Jirel 1999:119)....35
Table 10: Patterns of Evidential Usage in Syuwa (data from Höhlig 1978)....36
Table 11: Types of Information Management (based on Tomlin et al. 1997:66, 68-70, 93)....42
Table 12: Repertoire of Elements for Narrative Genres (from Lacey 2000:133, 137-141)....45
Table 13: Generic Features Used for the Analysis of Graeco-Roman Biography (Burridge 2004:107-122)....48
Table 14: Generic Features Used in the Present Study (modified from Burridge 2004:107-122)....50
Table 15: Textual Macrostrategies (van Dijk and Kintsch 1983:201-206)....53
Table 16: Barnwell's Surface Markers of Thematic Discontinuity (1980:236-240)....56
Table 17: Etic Markers of Continuity and Discontinuity (adapted from Dooley and Levinsohn 2001:37)....58
Table 18: Longacre's Surface Structure Peak Markings (adapted from 1996:38-48)....62
Table 19: The Overall Structure of a Narrative (based on Labov 1972:359-370)....64
Table 20: Macrorules (van Dijk and Kintsch 1983:190, 211)....67
Table 21: Components of High and Low Transitivity (adapted from Hopper and Thompson 1980:252)....76
Table 22: SICK – Macrosegmentation and Superstructure....85
Table 23: Storyline Clause Density in SICK....86

PAYAP UNIVERSITY

Table 24: RAT – Macrosegmentation and Superstructure....88
Table 25: Storyline Clause Density in RAT....89
Table 26: MRKT – Macrosegmentation and Superstructure....91
Table 27: Storyline Clause Density in MRKT....92
Table 28: BATTLE – Macrosegmentation and Superstructure....94
Table 29: Density of Storyline Clauses in BATTLE....95
Table 30: BEAR – Macrosegmentation and Superstructure....97
Table 31: Storyline Clause Density in BEAR....98
Table 32: Bundle of Features that Describe the Genre: Conversational Oral Stories of Personal Experience....100
Table 33: Clausal Information Types in the Sherpa texts....106
Table 34: Strategies for Marking Background Activities....113
Table 35: Usage of Storyline Patterns in the Sherpa Texts....120
Table 36: Sherpa Storyline Devices Posited by Schöttelndreyer (1978:261-263)....122
Table 37: Application of Macrorules and Macrocues for the Text Base of SICK....131
Table 38: Construction of Second-Level Macropropositions in SICK....134
Table 39: Information Types in Second-Level Macropropositions of SICK....136
Table 40: Information Types in Second-Level Macropropositions of RAT....137
Table 41: Information Types in Second-Level Macropropositions of MRKT....140
Table 42: Information Types in Second-Level Macropropositions of BATTLE....142
Table 43: Information Types in Second-Level Macropropositions of BEAR....144
Table 44: Summary of the Types of Information Units Used in the Macropropositions of Each Text....146
