Glossary xiv
Chapter 1 Introduction 1
1.0 Rationale 1
1.1 General background information 1
1.2 Historical background 4
1.3 About the Nepali in Myanmar 5
1.4 Nepali caste and culture 5
1.5 The Nepali language 7
1.6 Objectives of the study 8
1.7 Research questions 8
1.8 Hypothesis 8
1.9 Benefits of the study 9
Chapter 2 Literature review 10
2.0 Introduction 10
2.1 Language maintenance 10
2.1.1 Language maintenance in displaced people groups: A case study 11
2.1.2 Language planning: Two case studies 12
2.1.3 Social network analysis and language maintenance 14
2.1.4 Social network analysis in sociolinguistic communities 15
2.2 Literature on sociolinguistic questionnaires 16
2.3 Language use and language domains 17
2.4 Language attitudes 17
2.4.1 Language attitudes and multilingualism in South Asia 18
Chapter 3 Methodology 20
3.0 Introduction 20

PAYAP UNIVERSITY

3.1 Questionnaire design 20
3.2 Administration of the sociolinguistic questionnaire 22
3.3 Observations and informal interviews 22
3.4 Methods of analysis 23
3.5 Methodology evaluation 23
Chapter 4 Discussion of findings 25
4.0 Introduction 25
4.1 Language demographics 26
4.2 Language use data 26
4.2.1 Research Question 1: What languages are being used in key domains by Nepalis in Chiang Mai? 26
4.2.2 Summary of data corresponding to Research Question 1 32
4.2.3 Research Question 2: What is the dominant language used by each generation of Nepalis in Chiang Mai? 33
4.2.4 Summary of data corresponding to Research Question 2 35
4.2.5 Data analysis for Objective 1 36
4.3 Language attitudes data 36
4.3.1 Research Question 3: What are the attitudes of Nepalis towards the Nepali language? 36
4.3.2 Summary of data corresponding to Research Question 3 39
4.3.3 Research Question 4: What are the attitudes of Nepalis towards the languages of wider communication? 40
4.3.4 Summary of data corresponding to Research Question 4 41
4.3.5 Data analysis for Objective 2 42
4.4 Implications for language maintenance 43
4.4.1 Research Question 5: How do Nepalis in Chiang Mai perceive their language ability? 43
4.4.2 Summary of data corresponding to Research Question 5 46
4.4.3 Research Question 6: Do Nepali parents teach their children Nepali in Chiang Mai? 48
4.4.4 Summary of data corresponding to Research Question 6 48
4.4.5 Research Question 7: What are the differences in language use between first, second and third generation Nepalis in Chiang Mai? 49

PAYAP UNIVERSITY

4.4.6 Summary of data corresponding to Research Question 7 50
4.4.7 Data analysis for Objective 3 50
4.5 Summary and implications for language vitality 50
Chapter 5 Social network analysis 52
5.0 Introduction 52
5.1 Social network analysis 52
5.2 Other sociolinguistic studies in SNA 54
5.3 The Nepali network in Chiang Mai 57
5.4 Language vitality and SNA among Nepalis 58
5.4.1 The nodes in the network map 59
5.4.2 The links in the network map 60
5.4.3 Binary data 61
5.4.4 In-degree and out-degree centrality 61
5.4.5 Robust networks and *k*-cores 62
5.4.6 Centrality 63
5.4.7 The network weaver 64
5.4.8 Linking to periphery networks 65
5.5 Evaluation of SNA in sociolinguistic research 65
Chapter 6 Summary and conclusions 67
6.0 Introduction 67
6.1 Conclusions for language use patterns 68
6.2 Conclusions regarding the attitudes of Nepalis towards their language and towards the languages of wider communication 68
6.3 Conclusions on Nepali language maintenance 69
6.4 Conclusions for the future of Nepali spoken in Chiang Mai 69
6.5 Conclusions regarding the introduction of a language development / preservation program 70
6.6 Limitations of the research 71
6.7 Evaluation of the sociolinguistic questionnaire (SLQ) 71
6.8 Suggestions for further research 73
6.9 Summary 74
Bibliography 76
Appendix 1 Screening Questionnaire 83

PAYAP UNIVERSITY

Appendix 2 Screening Questionnaire Answers 85
Appendix 3 Sociolinguistic Questionnaire 88
Appendix 4 Sociolinguistic Questionnaire Answer Form 93
Appendix 5 Sociolinguistic Questionnaire Responses 96
