## ACKNOWLEDGMENTS

Most of all, with all of my heart I wish to gratefully acknowledge God Almighty who has poured His love, grace, strength, encouragement, protection and comfort on me to complete my study and my thesis writing. Without Him, nothing could be accomplished.

I also wish to gratefully acknowledge the many people who have helped me in many ways to make my study and this thesis a reality.

My gratitude first goes to my thesis committee members for their invaluable guidance, advice and encouragement. Dr. Kirk Person oversaw the thesis work with his academic inspiration and constant encouragement. Ajarn Marjorie Doty contributed an immeasurable amount of her precious time to read through various drafts and provided insightful comments, correction, and advice. Her gentleness, kindness and understanding have always been a comfort. Ajarn William Hanna contributed his precious time, insightful thoughts and invaluable resources to guide me through the thesis writing. His knowledge of Greek contributed greatly to the exegesis.

I am grateful to many people who have contributed their valuable assistance to my thesis writing. Ajarn Stephen Doty provided his precious information and made this thesis possible. His experience in the translation field was a valuable assistance to my thesis writing. Ajarn Abraham and Julie Liu contributed a lot to my thesis writing by providing me with precious resources and spiritual support. Ajarn Ken Manson's deep knowledge of grammar contributed valuably to my thesis writing. Ajarn Terry Gibbs' computer skills were of valuable assistance to my thesis writing and computer maintenance. Dr. Brain Migliazza's generosity in sharing his library resources was wonderfully encouraging. Dr. Henry Breidenthal's cheerful help and patient

explanations were valuable to my thesis. Erich and Luella Fickle contributed their precious time in proofreading. Their prayers and encouragement are precious and cherished.

I am grateful to many people who have contributed their valuable assistance to my study as well. Dr. Katharine Barnwell has been a great mentor and inspiration to me. Her encouragement, guidance, prayer, shepherd's heart and mother's love are invaluable in enriching my life. My pastors who have been a living sacrifice for God are invaluable blessings and beautiful examples for my life. Their continuous prayers, guidance, love and care have surrounded and supported me all the time. I would like to thank all my teachers in the Linguistics Department who have imparted their profound knowledge to increase my knowledge and study ability and who have been wonderful examples of serving God and others. I also would like to express my gratitude to all my friends and schoolmates for their love, friendship, care, help, encouragement and prayers.

I would particularly like to thank my family members. My parents' steadfast love, care, patience, understanding, encouragement, and prayers have made my life beautiful and sweet. My brother and sister's love, friendship, and encouragement are so invaluable and wonderful. My niece's pure and loving heart always brings refreshment and inspiration to me.
