ACKNOWLEDGEMENTS

This research could not be completed without these individuals' help so I would like to thank all of them who assisted me in doing this research. My deeply appreciation is first expressed to Dr. Jenjit Gasigijtamong, my theses supervisor, who provided me an outstanding guidance, encouragement and trenchant advice throughout the study. My thanks also go to Associate Professor Dr. Jonathan Leather and Dr. Graeme Ritchie, members of my committee, for their valuable guidance.

Moreover, I would like to thank teachers, students, and alumni at Lampang College of Commerce and Technology who have worked with me. A special thanks for Dr. Nimit Jivasantikarn and his family who provided me information and encouragement.

Lastly, I wish to express my deepest thanks to my family who encouraged me and supported me financially and morally throughout this study.
